

1850 Velp Ave. Green Bay Wi. 54303 * Website: <http://www.snowshoeservices.com>

Snowshoe Services is on the cutting edge of your lawn care services. With are full lawn care packages. We are a local company constantly investing in research to stay on top of the industry.

At Snowshoe Services we share your same goals: produce the most beautiful, lush green lawns for outstanding curb appeal. We use products that offer more productivity, thus improving turf density, soil quality and weed control. We carefully assess the needs of your lawn prior to applying the most effective Granular and liquid weed control.

We offer a 4 plus 2 weed control program. This is a 4 time granular application and a 2 step liquid application. Up to 10,500 Sq feet
